NEGMAS INC

Jan 2021–Jun2021

Web Development Intern

NEGMAS INC Apprenticeship

As part of my apprenticeship at NEGMAS INC, I helped in several of the company's projects while improving my Web Development skills. Among others, my tasks included:

- Writing front end components for web applications
- Documenting code written by other developers
- Testing and troubleshooting web applications
- Debugging code to find potential sources of bugs

Working remotely I helped the company speed the development process and increase the quality of the projects. And gained some proficiency in technologies such as HTML, CSS, JavaScript, jQuery, React, Bootstrap, Material UI, NodeJS, MongoDB, and others.
